CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

The statements made in this proxy statement, other materials the Company has filed or may file with the Securities and Exchange Commission, in each case that are not historical facts, contain “forward-looking information” within the meaning of the Private Securities Litigation Reform Act of 1995, and Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, both as amended, which can be identified by the use of forward-looking terminology such as “may,” “will,” “anticipates,” “expects,” “projects,” “estimates,” “believes,” “seeks,” “could,” “should,” or “continue,” the negative thereof, and other variations or comparable terminology as well as statements regarding the evaluation of strategic alternatives. These forward-looking statements are based on the current plans and expectations of management, and are subject to a number of risks and uncertainties that could cause actual results to differ materially from those reflected in such forward-looking statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties relating to the orderly, opportunistic sale and liquidation of the remaining assets, including certain enhancement efforts related thereto, the effect of economic and business conditions, risks inherent in the real estate markets of Suffolk and Westchester Counties in New York, Palm Beach County in Florida and Fairfax County in Virginia, the ability to obtain additional capital in order to enhance the value of the Flowerfield and Cortlandt Manor properties, risks and uncertainties associated with any litigation that may develop in connection with our efforts to sell our properties opportunistically, including related enhancement efforts, and other risks detailed from time to time in the Company’s SEC reports. These and other matters the Company discusses in this proxy statement, or in the documents it incorporates by reference into this proxy statement, may cause actual results to differ from those the Company describes. The Company assumes no obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise.

THE ANNUAL MEETING

We are furnishing this proxy statement to you as part of the solicitation of proxies by our board of directors for use at the annual meeting.

Date, Time and Place

The annual meeting will be held at Flowerfield Celebrations, Mills Pond Road, Saint James, New York 11780 on June 3, 2016, at 11:00 a.m., Eastern Time.

Purpose

At the annual meeting, shareholders will be asked to consider and vote upon the following proposals and to transact such other business as may properly come before the annual meeting or any adjournment thereof:

Proposal 1 — to elect two (2) directors to a three-year term of office, and until their successors shall be duly elected and qualified;

Proposal 2 — to approve, on a non-binding advisory basis, the compensation of the Company’s named executive officers, as disclosed in this proxy statement; and

Proposal 3 — to ratify the engagement of Baker Tilly Virchow Krause, LLP (“Baker Tilly”) as our independent registered public accounting firm for the 2016 fiscal year.

Our board of directors unanimously recommends that you vote “**FOR**” each of proposals 1, 2 and 3.

Record Date; Stock Entitled to Vote; Quorum

All shareholders who hold common shares of limited liability company interests of record at the close of business on the record date, April 19, 2016, are entitled to notice of and to vote at the annual meeting. Each common share of limited liability company interests issued and outstanding on the record date is entitled to one vote at the annual meeting on each proposal presented. Shareholders do not have cumulative voting rights. A quorum will be present at the annual meeting if a majority of the outstanding common shares of limited liability company interests entitled to vote at the annual meeting are represented in person or by proxy.

On the record date, 1,482,680 common shares of limited liability company interests were issued and outstanding and held by 744 holders of record. This proxy statement and the enclosed proxy card are being mailed starting on or about May 2, 2016.

Votes Required

Proxies solicited by our board of directors will be voted in accordance with the instructions given therein. Where no instructions are indicated, proxies will be voted “**FOR**” the election of the nominees for director, “**FOR**” the advisory approval of executive compensation and “**FOR**” the ratification of the engagement of an independent registered public accounting firm.

Proposal 1. The two nominees receiving the most "For" votes from the holders of common shares of limited liability company interests present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes "For" or "Withheld" will affect the outcome. A majority vote is not required.

Proposal 2. An affirmative vote of the holders of a majority of common shares of limited liability company interests either present in person or represented by proxy and entitled to vote thereon is required to approve Proposal 2. Abstentions and broker non-votes will have no effect.

Proposal 3. Proposal 3 will be decided by a majority of the votes cast in favor of or against the proposal by the holders of common shares of limited liability company interests entitled to vote thereon. A shareholder who abstains from voting on Proposal 3 will be included in the number of shareholders present at the annual meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted, however, either in favor of or against Proposal 3.

Proxies

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the annual meeting. Your broker, bank or other nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

If you hold your shares in “street name” and do not direct your broker or other nominee as to how you want your shares to be voted in the election of directors (Proposal 1) or the non-binding advisory vote on executive compensation (Proposal 2), your broker or other nominee is not permitted to vote those shares on your behalf (resulting in a “broker non-vote” for each proposal for which your broker or other nominee does not vote your shares). Accordingly, if you hold your shares in “street name,” it is critical that you complete and return the voting instruction card if you want your votes counted in the election of directors (Proposal 1) and the non-binding advisory vote on executive compensation (Proposal 2).

Broker non-votes are counted for general quorum purposes but are not counted with respect to any matter for which a broker does not have discretionary authority to vote. Broker non-votes will have no effect on the election of directors (Proposal 1) or the non-binding advisory vote on executive compensation (Proposal 2). Because your broker or other nominee has discretion to vote any uninstructed shares on the ratification of the appointment of independent registered public accountants (Proposal 3), there should not be any broker non-votes with respect to this item. Thus, if your broker or other street name holder of record signs and returns a proxy card on your behalf but does not indicate how the shares represented thereby should be voted, then the shares will be voted “**FOR**” in Proposal 3, but will not be voted on any other proposal.

At the time this proxy statement was mailed to shareholders, management was not aware of any matter other than the matters described above that would be presented for action at the annual meeting. The shares shall be voted in the discretion of the proxies on such other matters as may properly come before the meeting or any adjournment thereof.

In addition to sending you these materials, some of the Company’s directors and officers as well as management and non-management employees may contact you by telephone, mail, e-mail, or in person. You may also be solicited by means of press releases issued by the Company and postings on the Company’s website, www.gyrodyne.com. None of the Company’s officers or employees will receive any extra compensation for soliciting you. The Company has retained MacKenzie Partners, Inc. to assist the Company in soliciting your proxy for an estimated fee of \$7,500 plus reasonable out-of-pocket expenses. MacKenzie Partners expects that approximately 15 of its employees will assist in the solicitation. MacKenzie Partners will ask brokerage houses and other custodians and nominees whether other persons are beneficial owners of shares of Common Stock. If so, the Company will reimburse banks, nominees, fiduciaries, brokers and other custodians for their costs of sending the proxy materials to the beneficial owners of shares of Common Stock.

Any shareholder executing the enclosed proxy card has the right to revoke it at any time prior to its exercise by delivering to the Company a written revocation or a duly executed proxy card bearing a later date, or by attending the annual meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to attend the annual meeting and to vote personally at the annual meeting.

DISCUSSION OF PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING**PROPOSAL 1: ELECTION OF DIRECTORS**

The Company's Amended and Restated Limited Liability Company Agreement provides that there shall be not less than three (3), nor more than seven (7), directors. Our board of directors is divided into three (3) classes of directors serving staggered terms of office with each class to consist, as nearly as possible, of one-third of the total number of directors constituting our entire board of directors. Upon the expiration of the term of office for a class of directors, the nominees for that class will stand for election to three-year terms to serve until the election and qualification of their successors. At the annual meeting, two (2) directors of the Company are to be elected to a three-year term, to serve until their successors are elected and have been qualified. Our board of directors of the Company has nominated Paul L. Lamb and Richard B. Smith to three-year terms, upon the recommendation of our Nominating Committee. Messrs. Lamb and Smith are members of our present board of directors of the Company, each with a term expiring at the annual meeting. Each properly executed proxy card received will be voted in accordance with the instruction given thereon.

If you give no instructions on the proxy card, the shares covered by the proxy card will be voted **"FOR"** the election of the foregoing nominees as director to serve three-year terms or until their respective successors shall be elected and shall qualify. The nominees have consented to be named as nominees in this proxy statement and to serve as directors if elected.

Should the nominees become unable or unwilling to accept a nomination for election, the persons named in the enclosed proxy card will vote for the election of a nominee designated by our board of directors.

Philip F. Palmedo, age 82, was appointed to our board of directors in July 1996. Mr. Palmedo has been President of the management consulting firm Palmedo Associates since 1980 and from 1988 to 1991 was Managing Director and President of Kepler Financial Management. From 1978 to 2000, he was Chairman of International Resources Group, an international professional services firm, and, from 1992 to 1997, was President of the Long Island Research Institute. He was a founder of all four companies. In addition, Mr. Palmedo has been a director of Lixte Biotechnology Holdings, Inc., since 2005. Our board of directors concluded that Mr. Palmedo should serve as a director of the Company because of his extensive background in successfully guiding a number of entities from initial formation to value recognition.

Elliot H. Levine, age 63, was appointed to our board of directors in October 2004. Mr. Levine is a founding member of the accounting firm Levine & Seltzer, LLP Certified Public Accountants, and a graduate (1975) of Queens College, City University of New York. He is also a former Trustee for St. Catherine's Medical Center in Smithtown, New York. Our board of directors concluded that Mr. Smith should serve as a director of the Company because of his background in both the Long Island financial sector and his role in, and experience with, local government issues and zoning matters.

Ronald J. Macklin, age 54, was appointed to our board of directors in June 2003. Mr. Macklin currently serves as Senior Vice President and U.S. General Counsel for National Grid and formerly KeySpan Corporate Services, where he has held various positions within the Office of General Counsel since 1991. He received a B.A. degree from Stony Brook University and his Juris Doctorate from Union University's Albany Law School. Our board of directors concluded that Mr. Macklin should serve as a director of the Company because of his legal expertise, which includes his legal experience in corporate transactions, real estate matters, litigation, compliance and business ethics.

Nader G.M. Salour, age 57, was appointed to our board of directors in October 2006 and then elected by the shareholders at the Company's annual meeting in December 2006. INFORMATION ABOUT OUR BOARD OF DIRECTORS AND MANAGEMENT

Board Meeting Attendance

There were eleven (11) regular and special board of directors meetings during the fiscal year ended December 31, 2015 (including meetings of the board of directors of Gyrodyne Company of America, Inc. prior to September 1, 2015). Each director attended at least 75% of the aggregate of the total number of meetings of our board of directors and meetings held by all committees of our board of directors on which such director served during the fiscal year ended December 31, 2015.

Independence

Each of the members of and nominees for election to our board of directors are independent directors as defined by the listing requirements of NASDAQ. The directors deemed to be independent under the independence standards of NASDAQ are Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith, and formerly, Naveen Bhatia.

Committees

Our board of directors has established the following committees:

Audit Committee. The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, and its current members are Messrs. Smith (Chairman), Levine and Macklin. The Audit Committee meets with the Company's independent auditors and management quarterly to review financial results, audited and unaudited financial statements (as the case may be), internal financial controls and procedures and audit plans and recommendations. The Audit Committee also recommends the selection, retention or termination of the Company's independent auditors, approves services to be provided by the independent registered public accounting firm and evaluates the possible effect the performance of such services will have on the accountants' independence. The Company has adopted a written charter for the Audit Committee, which is available on the Company's website, www.gyrodyne.com. All of the members of the Audit Committee are independent directors as defined by the listing requirements of NASDAQ. The Audit Committee met five times during the fiscal year ended December 31, 2015. All members of the Audit Committee are "financially literate" within the meaning of SEC regulations and NASDAQ rules. Our board of directors has determined that at least one member, Mr. Levine, a CPA, qualifies as an "audit committee financial expert" as a result of relevant experience as a partner in the accounting firm of Levine & Seltzer, LLP. In addition, Mr. Levine has 11.5 years of accounting experience as a partner and director of taxes at Leslie Suffrin & Co. P.C. as well as several other years of experience in the field of public accounting.

Compensation Committee. The Compensation Committee of the Company's board of directors consists of Messrs. Lamb (Chairman), Levine, Macklin, Palmedo, Salour and Smith, all of whom our board of directors has determined are independent pursuant to the listing requirements of NASDAQ. The Compensation Committee oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines and making recommendations for all compensation paid to executive officers and directors. The Compensation Committee also negotiates the terms of all employment arrangements with executive officers which may include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis. The Compensation Committee met twice during the fiscal year ended December 31, 2015. During the fiscal year ended December 31, 2015, the members of the Compensation Committee were Messrs. Levine (chairman), Lamb, Macklin, Palmedo, Salour and Smith. The Company's current compensation program for executives is intended to motivate and retain key executives to manage the business affairs of the Company in the best interests of the Company and its shareholders. In September 2013, the Corporation's board of directors determined that it was in the best interests of the Corporation and its shareholders to pursue the actual disposition of the Corporation's remaining assets and to complete the Corporation's tax liquidation by means of the proposed merger of the Corporation and GSD with and into Gyrodyne, LLC (the "Merger"), if approved and consummated. Beginning in September 2013 until the consummation of the Merger on August 31, 2015, the overriding objective of the Corporation's executive compensation program was to incentivize management to carry out the Corporation's Plan of Liquidation. Following the consummation of the Merger on August 31, 2015, the overriding objective of the Company's executive compensation program is to incentivize management to carry out the Company's plan to pursue opportunistically the disposition of its properties to maximize shareholder value.

Nominating Committee. The Nominating Committee consists entirely of non-employee directors and recommends guidelines to our board of directors regarding the size and composition of our board of directors and criteria for the selection of nominees. It also recommends the slate of director nominees to be included in this proxy statement and recommends candidates for vacancies which may occur. The Nominating Committee has a written charter, which is available on the Company's website, www.gyrodyne.com. Each member of the Nominating Committee is an independent director as defined by the listing standards of NASDAQ. The Nominating Committee will accept for consideration shareholders' nominations for directors if made in writing and otherwise in accordance with the procedures set forth in Section 5.14 of the Company's Amended and Restated Limited Liability Company Agreement. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Nominating Committee to make proper judgments as to his or her qualifications. Nominations must be addressed to the Secretary of the Company at the Company's headquarters and must be received no later than the deadline for submissions of shareholders' proposals in order to be considered for the next annual election of directors. The Nominating Committee believes that having directors with relevant experience in business and industry is beneficial and the Nominating Committee seeks to monitor the skills and experience of the Company's directors. Our board of directors does not have a formal policy with respect to diversity. All identified candidates, including shareholder-proposed candidates, are evaluated by the Nominating Committee using generally the same methods and criteria, although those methods and criteria are not standardized and may vary from time to time. The Company typically engages the services of third parties to perform background examinations of potential nominees, for which the Company pays a fee, in order to assist the Nominating Committee in its evaluation. The Nominating Committee met one time during the fiscal year ended December 31, 2015, and its members currently are Messrs. Levine (Chairman), Palmedo and Salour.

Investment Committee. Following the disbanding of the strategic alternatives committee (which managed the process of exploring strategic alternatives for the Corporation and make recommendations to the full board) in 2014, our board formed an investment committee to manage the process of pursuing the Plan of Liquidation, pursuant to which we intend to pursue an orderly liquidation of the properties currently owned by GSD and managed by Gyrodyne along with our remaining assets in order to obtain the best reasonably available value for such assets and to complete the Tax Liquidation. The primary function of the investment committee is to screen management recommendations with respect to the sale of assets and present recommendations to the full board for approval. The investment committee consists of Ronald J. Macklin (Chairman), Philip F. Palmedo and Nader G.M. Salour, all of whom are non-employee directors. The investment committee met three times during the fiscal year ended December 31, 2015.

Shareholder Communications with our Board of Directors

Our board of directors does not currently provide a process for shareholders to send communications to our board of directors or any of the directors. The Company believes that senior management, as opposed to individual directors, provides the public voice of the Company, and that shareholders can effectively communicate with the Company by contacting Frederick C. Braun III through either regular mail, telephone, email or in person. Shareholders also have meaningful access to our board of directors through the shareholder proposal process, which is described below in "2015 Shareholder Proposals."

Board Leadership Structure and Oversight of Risk Management

The current leadership structure of our board of directors reflects a separation of the roles of chairman and principal executive officer. This leadership structure is intended to provide our board of directors with an appropriate level of independence from management and encourage a high degree of autonomy within our board of directors. Our board of directors, as a whole and through its committees, oversees the Company's risk management process, including operational, financial, legal, and strategic risks. The Audit Committee assists our board of directors in the oversight of the risk management process. In addition, our board of directors is guided by management presentations at meetings of our board of directors and throughout the fiscal year that serve to provide visibility to our board of directors about the identification, evaluation and management of risks the Company is facing as well as how to mitigate such risks.

Attendance Policy for Directors at Annual Shareholder Meetings

The Company encourages, but does not require, all of its directors to attend annual shareholders meetings of the Company. At the annual meeting of the Company's shareholders in 2014, all of the directors were in attendance. The Company did not conduct an annual meeting of the Company's shareholders in 2015.

REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act that might incorporate future filings or this proxy statement, this Report of the Audit Committee of our board of directors does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of the Company's other filings under the Exchange Act, except to the extent that we specifically incorporate this Report by reference in such other filings. Pursuant to rules of the SEC and FINRA, the Audit Committee of Gyrodyne, LLC has issued the following report and affirmed that:

(i) We have reviewed and discussed with management the audited financial statements for fiscal year ended December 31, 2015.

(ii) The Company's independent registered public accounting firm has discussed with the Audit Committee the conduct of the audit of the Company's financial statements and have represented to the Audit Committee that their presentations include all matters required to be discussed by PCAOB Auditing Standard No. 16, "Communications with Audit Committees," and Rule 2-07 of Regulation S-X. The Audit Committee has met (in person or telephonically) with our independent registered public accounting firm, Baker Tilly, with and without management present, to discuss the overall scope of Baker Tilly's audit, the results of its examinations, and the overall quality of its financial reporting and effectiveness of internal control over financial reporting. The Audit Committee has reviewed and discussed the audited financial statements and effectiveness of internal control over financial reporting with management and management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the U.S. and that the internal control over financial reporting was effective.

(iii) We have received from the Company's independent registered public accounting firm the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and we have discussed with the independent registered public accounting firm its independence with respect to the Company.

(iv) Based on the review and discussions referred to above, we recommended to our board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC.

Employment Agreements

On May 17, 2013, the Company entered into new employment agreements with Frederick C. Braun III and Gary J. Fitlin (the "Employment Agreements") dated May 15, 2013 and effective April 1, 2013, respectively, pursuant to which Messrs. Braun and Fitlin continued to serve as President and Chief Executive Officer and as Senior Vice President and Chief Financial Officer, respectively. The Employment Agreements provide for substantially identical compensation and severance provisions. Pursuant to the Employment Agreements, each of Mr. Braun and Mr. Fitlin earn a base salary at the rate of \$250,000 per year plus a discretionary bonus, as determined and approved by the Board based upon the profitability and/or performance of Gyrodyne. Additionally, Messrs. Braun and Fitlin are entitled to a bonus equal to \$125,000 if he is employed by the Company as of the effective date of a change-in control (the "Change-in-Control Bonus"). The Employment Agreements define a change-in-control as the first to occur of a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, as each such term is defined under Section 409A of the Code. Pursuant to the terms of the Employment Agreements, there is no required minimum period of employment, and either the Company or the executive may terminate at any time, with or without cause. If the executive is terminated without cause, the Company must provide him with at least 60 days' prior written notice of termination, and must pay him (i) the pro rata share of his base salary through those 60 days, (ii) the Change-in-Control Bonus, and (iii) severance pay equal to six months' base salary from the date of termination. If the executive is terminated for cause (as defined in the Employment Agreements), he will be paid the pro rata share of his base salary through the date of termination. Each of the executives may also terminate upon 60 days' prior written notice. The foregoing description of the Employment Agreement is only a summary of its material terms, does not purport to be complete and is qualified in its entirety by reference to that agreement. A copy of the Employment Agreement was filed as an exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013.

On May 8, 2014, Gyrodyne entered into a new employment agreement with Peter Pitsiokos effective May 15, 2014, pursuant to which Mr. Pitsiokos continues to serve as Executive Vice-President, Chief Operating Officer, Chief Compliance Officer and Secretary. Pursuant to the agreement, Mr. Pitsiokos earns a base salary at the rate of \$200,000 per year plus a discretionary bonus, as determined and approved by the Board based upon the profitability and/or performance of Gyrodyne. There is no required minimum period of employment, and either Gyrodyne or Mr. Pitsiokos may terminate at any time, with or without cause. If Mr. Pitsiokos is terminated without cause, Gyrodyne must provide him with at least 60 days' prior written notice of termination, and must pay him the pro rata share of his base salary through those 60 days and severance pay equal to six months' base salary from the date of termination.

Outstanding Equity Awards at Fiscal Year End

As of the year ended December 31, 2015, there were no unexercised options, stock that has not vested or equity incentive plan awards held by any of the Company's named executive officers.

Severance and Change-in-Control Benefits

Pursuant to the Employment Agreements, each of Mr. Braun and Mr. Fitlin earn a bonus equal to \$125,000 if he is employed by the Company as of the effective date of a change-in-control (the “Change-in-Control Bonus”). The Employment Agreements define a change-in-control as the first to occur of a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, as each such term is defined under Section 409A of the Code. Pursuant to the terms of the Employment Agreements, there is no required minimum period of employment, and either the Company or the executive may terminate at any time, with or without cause. If the executive is terminated without cause, the Company must provide him with at least 60 days’ prior written notice of termination, and must pay him (i) the pro rata share of his base salary through those 60 days, (ii) the Change-in-Control Bonus, and (iii) severance pay equal to six months’ base salary from the date of termination. If the executive is terminated for cause (as defined in the Employment Agreements), he will be paid the pro rata share of his base salary through the date of termination. Each of the executives may also terminate upon 60 days’ prior written notice.

Pursuant to the employment agreement with Mr. Pitsiokos, Mr. Pitsiokos may be terminated at any time, with or without cause. If Mr. Pitsiokos is terminated without cause, Gyrodyne must provide him with at least 60 days’ prior written notice of termination, and must pay him the pro rata share of his base salary through those 60 days and severance pay equal to six months’ base salary from the date of termination.

Incentive Compensation Plan

The Company does not have an equity compensation plan for its employees, officers or directors. However, the Corporation had adopted an Incentive Compensation Plan (the “ICP”) that mirrored in many respects an equity plan except that it did not issue shares of registered or unregistered stock or stock equivalents, and did not confer on its participants the rights that equity holders have. Benefits under the ICP were realized upon either a change-in-control (as defined in the ICP) of the corporation, or upon the issuance by Gyrodyne of an excess dividend (as defined in the ICP) following certain asset sales. Pursuant to the ICP, following the \$98,685,000 special dividend on December 30, 2013, the Corporation recorded an expense for distributions payable to each member of the Corporation’s board and a former director, the former CEO, and certain employees and former employees of \$2,850,199, \$933,251, and \$1,261,150, respectively, all of which were paid.

The ICP provided that, in the case of an excess dividend, the ICP payments triggered by the excess dividend may not exceed the hypothetical ICP payments that would have been made had there instead been a change in control transaction consummated on the dividend payment date (the “ICP Limitation”). But for the ICP Limitation, the ICP payment resulting from the \$98,685,000 special dividend would have been approximately \$7,321,600. The ICP Limitation, however, necessitated a calculation of the ICP payment that would have been made had there been a change in control transaction consummated on the dividend payment date. ICP payments from a change in control transaction are calculated generally by multiplying (i) closing date fair market value minus base date fair market value (for most participants, \$15.39) by (ii) the number of ICP units (110,000). The ICP does not state how closing date fair market value is to be calculated for purposes of the ICP Limitation. By resolution adopted on December 27, 2013, however, the Corporation’s board made a good faith determination that closing date fair market value for purposes of calculating the ICP Limitation in connection with the special dividend should be the closing price of Gyrodyne stock on the dividend payment date of December 30, which turned out to be \$63.37. Accordingly, the ICP payment that would have been made had there been a change in control transaction on the dividend payment date is equal to \$5,277,800 $((\$63.37 - \$15.39) \times 110,000 = \$5,277,800)$.

In another resolution adopted on December 27, 2013, the Corporation’s board determined that ICP participants should only receive payments in cash as and when the shareholders receive cash. Since the shareholders received only \$68,000,000 or \$45.86 per share of the dividend in cash, the portion of the ICP payment paid to participants in cash following the special dividend was calculated only on the basis of such cash portion of the dividend $(\$45.86 \times 110,000 = \$5,044,600)$. The balance of the ICP payment associated with the special dividend is to be paid as cash is paid on the non-cash portion of the special dividend, i.e., as cash is paid on the GSD interests. But for the ICP Limitation, there would be an additional \$2,277,000 payable under the ICP in connection with the special dividend $(\$7,321,600 - \$5,044,600 = \$2,277,000)$. Because of the ICP Limitation, however, the limit on further ICP payments that may be made is only \$233,200 $(\$5,277,800 - \$5,044,600)$.

Upon payment in full of the \$233,200 balance of the ICP payments described above, no further payments will be made to participants under the ICP.

Neither Frederick C. Braun III (the Company’s Chief Executive Officer), who joined the Company in February 2013, nor Gary Fitlin (the Company’s Chief Financial Officer), who joined the Company in 2009, is a participant in the ICP. There was no ICP expense in 2014 or 2015.

Pension Plan

The Corporation maintained the Gyrodyne Company of America, Inc. Pension Plan, which was a traditional defined benefit pension plan. The Pension Plan was believed to provide a reasonable benefit for two of the three executives and two of the three other employees who were participants prior to the Board's decision to freeze and terminate the Plan in November 2013. The underfunded status, based on the Corporation's pension plan included in pension costs in the accompanying consolidated balance sheet was \$(552,546) at December 31, 2014. In compliance with the minimum funding requirements, the Corporation did not have a minimum funding requirement for the years ending December 31, 2014. The Company does not maintain any nonqualified deferred compensation programs (other than the Incentive Plan) or any qualified Profit Sharing or Section 401(k) Plans intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code. The pension plan had a significant investment in the Company's common shares which reflected a closing price per share on the last trading day of 2014 of \$4.10. The historical low discount rates combined with the ICP and the impact from lump sum distributions to the former CEO and former employees was responsible for a significant portion of the increase in the pension liability over the last two years.

On November 25, 2013, the directors determined that it was advisable and to the advantage, welfare and best interests of the Company to terminate the Gyrodyne Company of America Inc. Pension Plan. Pursuant to the Board decision, the Company froze benefits as of December 23, 2013 and was seeking the IRS Determination Letter to complete the termination of the Plan during 2015. The Company received the IRS determination letter during 2015. During 2015, the Company made approximately \$1.5 million of additional contributions to meet the remaining funding obligations of the pension plan to cover employee elections and costs to complete the termination. In late December 2015, following the plans receipt of the funds from Gyrodyne, all former employees who elected lump sum payments or annuities were paid out in full. The Company filed the Post Distribution Certification for Standard Termination with the PBGC in February 2016 which formally completed the termination of the Company Pension Plan.

Retention Bonus Plan

In May 2014, the Board authorized a Retention Bonus Plan designed to recognize the nature and scope of the responsibilities related to our plan to sell our properties opportunistically (including related enhancement efforts), to reward and incent performance in connection therewith, to align the interests of directors, executives and employees with our shareholders and to retain such persons during the term of such plan. The Plan provides for bonuses to directors, officers and employees determined by the gross sales proceeds from the sale of each property and the date of sale.

The Plan consists of a pool that would be funded with an amount equal to 5% of the specified appraised value of each of the Contributed Properties (as set forth in the plan), so long as the gross selling price of a property is equal to or greater than 100% of its appraised value (based on appraisals utilized to support the value of the real estate included in the non-cash dividend distributed on December 30, 2013). Additional funding of the bonus pool would occur on a property-by-property basis when the gross sales price of a property is in excess of its appraised value as follows: 10% on the first 10% of appreciation, 15% on the next 10% of appreciation and 20% on appreciation greater than 20%. Furthermore, if a specified property is sold on or before a designated date specified in the Plan, an additional amount equal to 2% of the gross selling price of such property also would be funded into the pool.

The pool is distributable in the following proportions to the named participants in the Plan for so long as they are directors or employees of the Company: 15% for the Chairman, 50% for the directors collectively other than the chairman (10% for each of the other five directors) and 35% (the "Employee Pool") for the Company's executives and employees. Such share of the pool is earned only upon the completion of the sale of a property at a gross selling price equal to or greater than its appraised value and is paid to the named beneficiaries of the Plan or their designees within 60 days of the completion of such sale or, if later, within 60 days of receipt of any subsequent post-completion installment payment related to such sale. All allocations to individual beneficiaries in the Employee Pool shall be determined by the Board of the Company or its successor in consultation with its President.

Although no retention bonus payments were distributed in 2015, the Company has accrued the amount attributable under the Plan with respect to the sale of 5 Medical Drive, Port Jefferson. To achieve the highest sale value, the Company has concluded to sell the buildings in the Port Jefferson Professional Park as individual units versus a single transaction. Bonuses have been earned on the sale of 5 Medical Drive, however, the Board has decided that payment should not be made until all ten buildings are sold and the measurement of such bonuses should be based on the combined appraisal of all ten buildings versus measuring them based on the individual building appraisals. The Compensation Committee concluded that this is in the best interest of the shareholders as it avoids a potential scenario where the Company might pay bonuses for values in excess of the appraisal on some buildings and proceeds from the subsequent sale of other buildings were below the appraised values on those buildings.

DIRECTOR COMPENSATION

The following director compensation information for the year ended December 31, 2015 consists of compensation of directors of the Corporation through August 31, 2015 (the date of the consummation of the merger of the Corporation and Gyrodyne Special Distribution, LLC with and into the Company) and compensation of directors of the Company from September 1, 2015 through December 31, 2015. If a property is sold on or before a designated date specified in the Plan, an additional amount equal to 2% of the gross selling price of such property also would be funded into the pool.

All of the members of our board of directors are independent directors as defined by the listing requirements of NASDAQ. Such independent directors are Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith. The Company has compensation, nominating, audit and strategic alternatives committees, the members of which are also independent as defined by the listing requirements of NASDAQ.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that the Company's directors, officers and any person holding more than ten percent of the Company's Common Stock file with the SEC reports of ownership and changes in ownership, and that such individuals furnish the Company with copies of the reports.

Based solely on the Company's review of copies of Forms 3 and 4 and amendments thereto received by it during fiscal 2015 and Forms 5 and amendments thereto received by the Company with respect to fiscal 2015 and any written representations from certain reporting persons that no Form 5 is required, Gyrodyne believes that none of the Company's executive officers, directors or 10% shareholders failed to file on a timely basis reports required by section 16(a) of the Exchange Act during fiscal 2013.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Exchange Act, the Company's shareholders are now entitled to vote whether to approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in this proxy statement.

The compensation of our named executive officers subject to the vote is disclosed in the compensation tables and the related narrative disclosure contained in this proxy statement. We believe that our executive compensation program is appropriately designed and responsible in that it is designed to promote the Company's strategic plan without encouraging our executives to assume excessive risks. Our Compensation Committee believes that the Company's executive compensation program must be tailored to meet the demands of the Company's strategic goal, which is to position the Company to maximize shareholder value through the opportunistic sale of its properties which includes certain enhancement efforts.

The Compensation Committee believes the Company's executive compensation program is well-aligned with the Company's strategic plan and the long-term interests of shareholders.

Accordingly, our board of directors is asking the shareholders to indicate their support for the compensation of the Company's named executive officers as described in this proxy statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED."

Because the vote is advisory, it is not binding on our board of directors or the Company. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and our board of directors and, accordingly, our board of directors and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE
"FOR" THE ADVISORY APPROVAL OF EXECUTIVE COMPENSATION.
THIS IS IDENTIFIED AS ITEM 2 ON THE ENCLOSED PROXY CARD.**

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our board of directors, upon the recommendation of the Audit Committee, which is comprised entirely of independent directors, has appointed the accounting firm of Baker Tilly as our independent registered public accounting firm for the current fiscal year. The appointment of Baker Tilly has been ratified by the shareholders every year since 1990. Our board of directors is requesting ratification of Baker Tilly as our independent registered public accounting firm for the fiscal year ending December 31, 2016. This firm has no financial interest in the Company or any connection with the Company other than as auditors and as independent registered public accounting firm. The report of Baker Tilly with respect to the Company's financial statements appears in the Company's annual report for the fiscal year ended December 31, 2015.

In the event the proposal is defeated, the adverse vote will be considered a direction to our board of directors to select another independent registered public accounting firm for the next fiscal year. However, because of the expense and difficulty of making any substitution of an independent registered public accounting firm after the beginning of a fiscal period, it is contemplated that the appointment for fiscal year 2016 will be permitted to stand unless our board of directors finds other reasons for making the change.

Audit and Other Fees

The following is a summary of the fees billed to the Company by Baker Tilly, our principal accountants, for professional services rendered for the years ended December 31, 2015 and December 31, 2014:

Fee Category	Fiscal December 31, 2015	Fiscal December 31, 2014
Audit Fees (1)	\$ 119,000	\$ 129,462
Audit-Related Fees (2)	\$ 161,197	\$ 57,675
Tax Fees (3)	\$ 137,530	\$ 54,680
All Other Fees (4)	--	--
Total Fees	<u>\$ 417,727</u>	<u>\$ 242,017</u>

- (1) Audit Fees consist of aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements, review of the interim financial statements included in quarterly reports, and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2015 and December 31, 2014, respectively.
- (2) Audit-Related Fees consist of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit Fees." Such services include review of Form 8-K filings, Form S-1, S-3 and S-4 filings, proxy filings and research into various accounting issues.
- (3) Tax Fees consist of aggregate fees billed for professional services rendered by the Company's principal accountant for tax compliance, tax advice and tax planning. The amounts disclosed consist of fees paid for the preparation of federal and state income tax returns.
- (4) All Other Fees would consist of aggregate fees billed for products and services provided by Baker Tilly, the Company's principal accountant, other than those disclosed above.

None of the services performed by Baker Tilly for the Company were performed by non-full-time Baker Tilly employees.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent registered public accounting firm and approves in advance any services to be performed by the independent registered public accounting firm, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent registered public accounting firm. The Audit Committee has determined not to adopt any blanket pre-approval policies or procedures. All of the fees shown above were pre-approved by the Audit Committee.

A representative of Baker Tilly is expected to be present at the annual meeting, will be given an opportunity to make a statement if he or she desires to do so and is expected to be available at a designated time during the annual meeting to respond to appropriate questions.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS
VOTE “FOR” THE RATIFICATION OF APPOINTMENT OF BAKER TILLY AS OUR INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM. THIS IS IDENTIFIED AS ITEM 3 ON THE ENCLOSED PROXY CARD.**

2017 SHAREHOLDER PROPOSALS

If a shareholder wishes to have a particular proposal considered by our board of directors for inclusion in the Company’s proxy statement for an annual meeting of shareholders, the shareholder must satisfy the requirements set by the SEC in its proxy rules. The particular proxy rule, Rule 14a-8, requires that shareholders submit their proposals in writing to the Company at least 120 days before the anniversary date of this proxy statement mailing date for the prior year’s annual meeting. Thus, shareholders who wish to submit their proposals for inclusion in the Company’s proxy statement for next year’s annual meeting must deliver such proposals to the Secretary of the Company on or before January 2, 2017, provided that if the date of next year’s annual meeting has been changed by more than 30 days from the date of this year’s meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials, which would be disclosed in the Company’s reports filed with the SEC. The notice must clearly identify the proposal, contain a brief supporting statement and all required information about the proposing shareholder, and otherwise satisfy the SEC’s rule. Proposals should be addressed to the Secretary of the Company, Gyrodyne, LLC, One Flowerfield, Suite 24, Saint James, New York 11780.

In order for a shareholder nomination or proposal to be raised from the floor during the 2017 annual meeting of shareholders, the requirements set forth in the Company’s Amended and Restated Limited Liability Company Agreement with respect to shareholder proposals must be followed, including the requirement that written notice thereof must be received by the Company not less than 120 days nor more than 150 days before the anniversary date of the prior year’s annual meeting (there are special rules if the current year’s meeting date is held more than 30 days before, or more than 60 days after, the anniversary of the prior year’s meeting date). For the 2017 annual meeting of shareholders, the written notice must be given not later than February 3, 2017 and no earlier than January 4, 2017. If the date of the annual meeting in 2017 is more than 30 days before or more than 60 days after such anniversary date, however, notice by the shareholder to be timely must be delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public disclosure of the date of such meeting is first made by the Company. The shareholder’s written notice must contain the information required in the Company’s by-laws, including (i) all information relating to any nominees proposed by the shareholder that is required to be disclosed in solicitations of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934 and Rule 14a-11 thereunder, (ii) a brief description of any proposals sought to be presented for a vote at the meeting, (iii) the shareholder’s name and record address and (iv) the class and number of shares of Common Stock that are beneficially owned. Shareholders proposing nominees for election to our board of directors must have continuously held at least \$2,000 in market value, or 1%, of the Company’s outstanding Common Stock entitled to vote for at least one year by such date of giving of notice or be entitled to cast votes with respect to at least 5% of the outstanding Common Stock. Nominations and proposals should be submitted in writing to the Secretary of the Company, Gyrodyne, LLC, One Flowerfield, Suite 24, Saint James, New York 11780, who will submit them to our board of directors for its consideration.
